

## Scholarship Essay Questions 2016

Please answer question 1 **and** an additional question of your choice. Please do not restate the question in the narrative. Place the number of the question before your answer:

1. Where do you see yourself in 10 years? What goals do you have for the future? How do you think you might change in the next decade? How do you think the world will be different than it is now? **(REQUIRED QUESTION)**
2. Consider your favorite books, movies, music, works of art, etc. Have these influenced your life in a meaningful way? Why are they your favorites?
3. Recount a time you took a risk that was either positive or negative. How did it affect you and what have you learned from it? Would you make the same choice again?
4. In a spirit of adventure--pose a question of your own, and answer it. Be original and thoughtful--draw upon your best qualities as a writer, thinker, social citizen and philosopher. Are you a risk taker, a creative thinker? This question might be for you!
